Plaintiffs,

v.

GARY SCOTT, in his official capacity as
Fairfax County Registrar, et al.,

Defendants.

Civil Action No.

DECLARATION OF AMYLA BRYANT

Pursuant to 28 U.S.C. § 1746, I, Amyla Bryant, hereby declare as follows:

1. I have personal knowledge of the matters stated herein and would testify to the same if called as a witness in Court.
2. I am over eighteen years of age and am otherwise competent to testify. I was born in 2001 and am African American.
3. I am a freshman at George Mason University. I am from Roanoke, Virginia.
4. I have never registered to vote in Roanoke.
5. I live on campus at George Mason University.
6. I am a freshman.
7. The name of my dormitory is Carroll Hall. I live in Room 3013.
8. My activities and responsibilities while attending George Mason University include playing with the George Mason University Green Machine band. I have applied to work at the University Information Desk and I am a member of the Honors College.

9. I registered to vote on campus at George Mason University on September 23, 2019 through a voter registration drive that was being held in front of the “Hub.” The Hub is the student union building.
10. I approached a table where people were registering voters and asked to register to vote, then I filled out a voter registration application. *See* Exhibit A.
11. When I was filling out the voter registration application, I could not remember my dorm address because I had just moved to campus.
12. I therefore provided the address of George Mason’s student union, 4450 Rivanna Way.
13. At the time I filled out the voter registration application, I believed that providing the university address would be sufficient to allow me to register to vote.
14. I do not receive mail at my dorm address. My mail goes to my “PMB,” or school post office box.
15. I do not check my school mailbox regularly.
16. I usually receive an email alert from George Mason University when I have received something in the mail. It has been awhile since I received such an email alert, although I do not recall exactly when I last received one.
17. I had assumed until October 28 that I was registered to vote by the voter registration deadline for the November 5, 2019 election and was eligible to vote in that election.
18. On October 28, 2019, I arrived at Spanish class. A fellow student in my Spanish class named Eva Pecora told me that some students were experiencing problems registering to vote and that there could be an issue with my registration status so I should follow up. *See* Exhibit B.

19. I attempted to look up my registration status using Virginia's online lookup tool and found that there is no record of my registration status. *See* Exhibit B.
20. I do not understand why I needed to provide my dorm name and room number on my registration application since I provided my school mailbox number.
21. It was frustrating and upsetting to learn that my voter registration application is being rejected on what I consider to be an irrelevant technicality.
22. I have not received any email or phone call from the Fairfax County Registrar during this entire process.
23. Today, I checked my school mailbox and found a letter saying that my voter registration application was rejected. *See* Exhibit C.
24. Although I have not done so yet, my plan is to email the Fairfax County Registrar's office as soon as I can and to provide whatever information is necessary to try to clear up my registration status.
25. I do not know if I will be eligible to cast a ballot in the November 2019 election that will count even if I provide additional information to the Registrar or fill out a new voter registration application.
26. I want to vote in the November 2019 election. I have been excited about the prospect of voting for the first time.
27. I declare under penalty of perjury that the foregoing is true and correct.

Executed this 30th day of October, 2019, in Fairfax, Virginia.
